

Direct Deposit Giving Information Sheet

Thank you for choosing to give to Hunter Bible Church. We appreciate your desire to share the costs that are incurred with preaching the gospel to an ever growing number of people.

The most helpful way our members can share in covering these *Kingdom costs* is by setting up an automatic transfer from their bank account to the Church bank account.

To help in the administration of your giving, it would be appreciated if bank transfers made into the church bank account be labelled with three identifiers:

- 1) **Donor's congregation:** AM, PM, UniC or Ext (for donors who are not HBC members)
- 2) **Donation's purpose:** general (for general HBC budget needs), *mtsSurname*
- 3) **Donor's optional ID:** your name, initials or other unique identifier.

Please combine these in the description/label of your transaction as such:

[Donor'sCongregation],[DonationPurpose],[Donor'sOptionalID]

(Alternatively commas can be substituted for spaces.)
